NPC: Nice to meet you! Little kids. You must have worked hard to come here, I am glad to see you. I am your collage senior, you can call me Kevin.

Kevin: You know, I also really want to take a new rookie like you to learn about this place as a senior, but now, my friends has a cold, and I need to go to the infirmary to get medicine for him.

Kevin: or maybe you can take my place to pick the medicine. So that I can continue my gam.....! (Cough!). I mean it is a good way for you to be familiar with this place.

## Task 2

Kevin: I am glad you did it! You also think it is a good way to help you to learn more about this collage right?

Kevin: Emm.....your expression tells me you don't think so. You think I am just using you? Come on, I am you reliable predecessor. Let me tell you more.

Kevin: If you have any question about the IT you can talk with your seniors like me, and also you can get the help you need in the 2th floor of GEH. The One-stop service center is there.

Kevin: And now the task is: find it and apply for a new campus card for me, and here is the 20 RMB you need to get it. And I think it's necessary to repeat that I'm not using you to help me..... Really!

(You got a new task: Help the senior to apply for a new campus card.)

## Task 3

Kevin: You back....emm. You looks tired. As a mature collage student, I think you should learn to take care of yourself. If you need to reply to your Hp, you can go to the canteen to have a rest, and the convenience store can provide you some props.

Kevin: And now, you know, task time!!! You can choose the canteen you like and have a good rest. Then you finished all the tasks today. If you want, I will tell you more in the future. Have a good day, my dear younger brother!

(You got a final task: have a good rest in the canteen you like, Congratulations!)
